

The School Library Association of Victoria is the professional association representing teacher-librarians and library teams in primary and secondary schools in all sectors of education. SLAV publishes two journals which are distributed to all members and will deliver your message to school libraries throughout Victoria.

**FYI: The journal for the school information professional** is published quarterly and distributed to all members at the beginning of each school term.

**Synergy** is published biannually and is distributed to all members in June and October.
